“ Susan and family, what a special Mom you had. I remember our Girl Scout days and how she loved to help in anyway she could. I can't believe she is 98. Where does time go? Barry and I send you Love and Prayers. I know you will miss her but she will be with you in Love and Spirit. Please let us know if we can do anything for you other than pray. My heart aches for you because I know the pain of loosing a precious Mom.
Love & prayers to you all.

“ Dear Mac and Susan,
Joyce and I were so saddened this morning when we found out about Mildred's death. We have many fond memories of our times with Mildred and Woodrow during our Zoar years. Please know that you will be in our thoughts and prayers as you go through this sad time. Joyce is nursing a new knee so we will not be able to be with you in person but we will be with you in spirit.
