“ Nelson, Reba, Aaron and Myra, I am so sorry for your loss. Mildred was a special lady and a great blessing in my life. I will always remember how she cared for and loved my children. Helping me keep them quiet and still in church, she always had something to calm them down.

“ I Patty Cook have known Mildred for as long as I have been friends with Reba...I met Reba through our employment with Cryovac over 35 years ago.
I met Mildred through Reba and had many visits and trips to S.C. and Mildred and Nelson were guests in my home here in California.
I considered Mildred my southern mom and loved her dearly. Was just back in May to visit Reba and her parents and had a wonderful walk in Mildred's flower garden and will treasure that day for ever.
I send my love, thought and prayers to her family and wished I could be there for her service.
Great times and memories always...
God Bless and be with the family at this time.
Love always Patty Cook

“ There will never be another woman as kind, sweet and loving, as Mildred. 23 years ago, when I married Wallace, she made sure to speak to us at church; and to tell us she loved us. We were her "grandchildren". She made him feel a part of our church, and I will never forget how much this meant to us.
Nelson, Reba, Aaron and Myra; our heart goes out to you in the next days, months and years.....she will never be forgotten.
Barbara Wood, Joyce Cox and Mildred are planning a WMU meeting real soon.
