“ *Dillon and Brock, I am so sorry to hear about Nanny. She was an amazing lady who sacrificed everything for you two. She was an inspiration to me the way she could manage to provide all your needs. You two were her life, her reason for living. I will always admire her. I know she will always be your guardian angel looking after you from her heavenly home. She is no longer suffering and is with "Goat" again. Can't you imagine that reunion? Stay strong and we are here for you if you need us. Love you. Kathy Butts*

“ I'll never forget Mildred making Amber pigs feet and bring them up to us for her to eat. I was pregnant with Timmy and i couldn't stand the smell, but Amber's Aunt Mildred always made sure to get extras for Amber when she was making them for her family too. Mildred you'll always be missed, always be loved and never forgotten. I'll see you again. Love you, Karen Salyer West

“ I will always be reminded of Nanny every time i hear the song Kickstart My Heart by Motley Crue! Sounds strange right? Before i ever met her in person, i was talking to Jeff on the phone(we hadnt been dating long) while he was in the car with Nanny, Papa & Brock one day. I asked Jeff did he know who sang that song. He said no...and Nanny said "Motley Crue sings that"! This was 10 years ago. I will never forget that & think of her every time i hear it!
