“ Sandra, Patricia, Martha, & Ron, I probably haven't seen Aunt Mildred since my Grandmother's (Nell) funeral. I have very fond memories of your mother while I was growing up both from visits and the many stories of their childhood growing up together. I was so sorry to hear of her passing, and please know that if my family and I did not live in Pittsburgh, PA we would have been there to pay our respects. The only comforting thought that I can think to give is that now all the Spelce brothers and sisters are together again in Heaven looking over us all. If there is anything that my family can do for you, please do not hesitate to let us know. Again, please accept our condolences.

“ To the Wood family, please accept my deepest sympathies on your loss. No words express the difficulty of coping with death although I pray the promise God gives in the scriptures strengthen you through this ordeal. . . .And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Rev 21; 4

“ I love my Aunt Mildred and will miss her. I loved to listen to my father, John W. Spelce, Aunt Mildred's brother tell stories of their childhood. Even though Dad made it sound like they had it pretty rough compared to today's living standards, they really enjoyed life to the fullest.

I will miss my Aunt Mildred, but I know she is a Child of God and I am happy for her because I know that she is now with her Lord and Savior Jesus Christ in heaven.
