

Milford Augustus "Ben" Forrester, Jr.

March 15, 1959 - January 5, 2026

Milford Augustus "Ben" Forrester, Jr., 66, gained his angel wings on Monday, January 5, 2026.

A native of Greenville, South Carolina, he was the son of the late Milford Augustus "Gus" and Marsha Virginia "Ginny" Davis Forrester. Ben proudly served the Greenville County Sheriff's Office as a Master Deputy for 38 years, from where he retired in 2020 to enjoy civilian life. Between serving the citizens and friends of Greenville County, he could be found sharing a pot of coffee, a good story, a loud laugh, and a contagious smile! His favorite pastimes include fishing, reading, "piddling" in the yard, and making memories with all his "babies". He was a lifelong member of the Wade Hampton Masonic Lodge 404. Ben left a lasting impression on so many. He will always be remembered fondly and missed greatly!

Surviving are his wife, Gail Bryson Forrester of the home; four children, Augusta Cannon (Josh) of Travelers Rest, Coly Forrester (Lisa) of Anderson, Adrian Forrester of Boiling Springs, and Toby Hollingsworth (Brooke) of Simpsonville; five grandchildren, Austin Cannon, Gabi Cannon, Theodore Forrester, Harper Hollingsworth, and Lorelai Hollingsworth; and several cousins.

Due to the upcoming inclement weather, the memorial service has been cancelled and rescheduled for 4:00 p.m., Saturday, February 7, 2026, at The Wood Mortuary Chapel conducted by Rev. Benny Durham.

“ *This man Ben Forrester my brother and one of my best friends you will so dearly be missed, I will miss our talks and our stories, I remember all the time we sat around and talked about all the things we used to get into and embarrassed our children who didn't believe half what we said. My heart breaks knowing that you have gone from us so soon but our hearts will always have you with us. To the family you know that I will always be here for you and love you all forever. You all have had my heart for many years and God gave me the chance to be in your lives. Fly high my brother.*
