“ Hey Arledge Family... Im soo sorry for your loss. I have known Milty for 16 years and I loved that Grumpy Old Man as I called him and I won't say what he would call me but knowing your father I know you can imagine. He was there when I really needed him. I just wanted you guys to know that my thoughts and prayers are with you and I hope you know he is healed and in a much better place.##imported-begin##Nicole Flavell##imported-end##

“ Dear Sean & Family,
I'm so sorry to hear of your dad's passing. I got to know your dad a little during his visits to our office. I admired his faith & strength. In fact, when asked how he was doing, he would answer "It's a day the Lord has made..." even when he may not have been feeling well. I pray that you will gain strength from the Lord in the days ahead.
God bless, Julie Nix##imported-begin##Julie Nix, Cancer Centers of the Carolinas##imported-end##
