“ Sad to hear of Mr. Gordon's passing. He was an inspiration to me when he was still working from about 5am until around 3pm at Greer Country Club. I still have the 2000 DeVille he sold me in 2012. Among the most honorable people I ever knew.

“ Sorry to hear about my friend Milton. I first met Milton in the 50’s, when he would do glass work on my dad’s cars. There was none better. Every time we saw each other, we would always greet and talk. In fact two weeks ago at church, we had our last conversation. RIP my friend.

What wonderful memories I have of your dad. He always called me his third daughter. That was always special to me. Good memories of us going to church together. I will miss him.
