“Minnie was my great-grandma, we called her Granny Pruitt. I have many wonderful memories with her but one of my favorites is teaching her to play basketball with my brother and cousins! She was so cute trying to throw that basketball into the hoop. It was a time where there were no worries, just fun!
Another memory I will cherish forever is getting to pray with Granny to rededicate her life to Christ back a few months ago. When I asked Granny where she was going when she passed, she said “Heaven”, and I told her I would be going to Heaven too when I passed on.
I am so sad that Granny won't be here with us anymore but I know she will be looking over us! I love you so much Granny! ❤️

“Looking at the picture of her at the beach reminded me when Minnie and Granny (Beadie Pruitt) visited me in Savannah. We walked along the beach and they were like two teenage girls splashing in the water and laughing. I remember Minnie telling me about when she and Uncle Carl lived in Savannah and she took the train to Tybee Island to visit him. He was stationed there. Miss you and love you.
