I remember Minnie from Fairview Baptist Church years ago. She was one of the prettiest ladies I have ever seen. She and Frank were one of the best looking couples I have ever known. She always had a big smile for everyone. My sympathy is with you, her family, in your loss. May you feel God's peace and comfort at this time.

I have been visiting the residents of Ashlan Village for the past three years with my Westie, Kirby, who is a therapy dog. Minnie soon became a favorite of mine and Kirby and I always headed first for our chats with Minnie. She loved holding Kirby in her lap and while she enjoyed his companionship we talked. Though Kirby was suppose to be helping her, what she gave us in return was so rewarding. I am thankful she was a part of my life and she will definitely be missed. My thoughts are with her sons and family.
