“ Our thoughts and prayers are with Mickie's family at this time. We loved Mickie and Jack from the first time we met them when they visited with Brent and Anna at our church. Mickie was always willing to help in anyway. We will truly miss her as we have missed Jack. Elaine, Gene, and Caleb Tennes###imported-begin##Elaine, Gene, and Caleb Tennes###imported-end##

“ My Dear baby Sister,

I am having a very difficult time dealing with your leaving us. I never thought it would be this way. You know that you and I have talked many times in the past weeks, and especially when we said our goodbyes just minutes before you went to God's house and were once again reunited with Jack. God has assured me of that reunion and I am at peace with that. I cannot tell you how much I will miss you and how heavy my grief is. So much I should have done and will never have a chance to do.

I love you deeply and your passing has left a hugh hole in my heart that will never heal. I hope God will forgive my for all that I haven't done but will give me credit for having recognized that.

The last thing I said to you is "I love you and I will see you on the other side".

Your "older Brother",

“ None of you know me. My late husband, Henry and I were in the same Sunday School Class at Roper Mountain Baptist Church with Jack and Mickie for a short time just before Jack died in February 2006. Both of them were so sweet and loving and made us feel so welcome. My husband died in May 2006 and Mickie was there for me with her concern and her prayers. I moved back to northeastern NC in December 2006 but we kept in touch through email. I received my last email from her on February 4, 2008. I am sorry to write such a long email. I just wanted you to know how much she meant to me. I was so very, very sorry to hear of her sickness and death. She was a very special lady. I will be praying for all of you. May God be with you.

“ Mickie certainly will be missed at Roper Mt. Church. Whenever there was work to be done, or any activity that needed volunteers, Mickie was there with a smile and a willingness to serve. She always had a word of encouragement and was loved by the young girls on the basketball team. I will miss her, but I know she is at peace, and with her beloved Jack now.

In Christ's love,
