“ Dear Family,

I was a school friend of Missy's. I will always hold our friendship in my heart.

Even as a young person, Missy was nurturing, kind and always thinking of others. I will always remember her easy smile.

After graduation, she went into the Air Force and I went into the Navy. We saw each other a couple of times as we were beginning our families; when we would both be home at the same time. I remember teasing her of her southern accent.

We then lost touch with each other until we found each other on Facebook. We then realized we shared our faith in God. I am so Blessed that I will one day see her again.

I am so sorry for your loss, you will be in my thoughts and prayers. May God shine his face and comfort on you all during this difficult time.

“ *Dear Family,*

I was a school friend of Missy's. I have many fond memories of our friendship. Even as a teenager she was nurturing, kind and thinking of others first.

I will always remember Missy's calmness, kindness, and easy smile. She was a faithful friend.

When we graduated she went to the Air Force and I went to the Navy. We saw each other a couple of times as we began families when we would both be back home at the same time. I would make fun of her southern accent.

Unfortunately, we did lose contact. However, we did find each other again on Facebook and realized we both share our faith in God. I am so thankful that I will one day see my friend Missy again.

You all we will be in my thoughts and prayers. May God shine his face and comfort upon you during this most difficult time.

“ My sympathy and prayers to Tony, Alex, Adam and all of Missy's family. I remember her friendly smile and sweet Christian spirit. I have found comfort in the promises of our Lord in my own personal loses for times such as this. His "grace sufficient" has proven true and lasting during the difficult days of grief and adjustments. When you feel the time is right for you, I highly recommend Washington's Grief Share program. ~Linda K. Underwood
