“ I am so sorry about the passing your mother and grandmother. I always enjoyed bringing her books to her and listening to her stories about the family. I will miss her a lot. Keeping you in my prayers.

“ Our thoughts are with you all. I'm so sorry sweetheart that your mom has passed. I can remember a time your mom and dad came to visit when we lived in Champion, it was one of the coldest winters we had with temps -30 degrees that lasted for almost 2weeks, so the vehicles wouldnt start. We had just built our new house. They stayed for 3 weeks, Monica saw a mouse in the cellar came screaming upstairs. We were all in stitches. After all 30 below zero the mouse was trying to stay warm. She would not go in the cellar the rest of her stay... I miss the family times. I love all my brother in laws, it breaks my heart the 4 boys never found their way back to each other. Atleast your dad and your Uncle Fran would talk on phone.
Now your mom is where she wants to be, with your Dad. Have fun in heaven you two, its surely way better then where we all are. Love to you all. I'm always here, reach out any time.
Love,
Aunt Cheryl. 🙏💖
