“ So sorry to hear about Montez. She was such a dear wonderful lady. Her beautiful smile will be missed. We shared a deep friendship with Rachel Wright. Thinking of you all at this sad time.

“ I have so many memories of Montezz, growing up, that they are too many to count! The first thing that I think of when I think of her, is her laugh, and the kindness that always was there. Stern but loving and she was a great - great cook ! I would love to walk in the kitchen and smell the food she would be preparing for my family visit, especially the green beans from their garden, that she would prepare in a pressure cooker. Those and her fresh cream corn were both two of my favorites. Her home up off Hwy 14 was one of my most favorite places to visit, with beautiful view of the mountains and the small lake in the front, and she always kept an immaculate home ! In my later years I did some things that greatly disappointed her, and we lost our relationship, but thankfully, last year I was able to sit with here and we made up with our past disappointments. I'll miss getting the opportunity to see her again, her on earth, but I'm assured to see her again in heaven, as she and my mother Benzie are seeing each other again, as I'm sending this message to her love ones. May our Lord comfort the family !
