“ I am devastated by the news of Monty's passing. His smile was infectious when he walked into a room. We shared lots of great memories from the softball field, lots of football games and many racing events. I will keep all of these moments close to my heart. You were always such a kind soul and a friend. Scotty, Donnie, Eva and the entire family I will keep you in my prayers during this difficult time. Always remember that Monty loved his family!!!.....Angela Stokes Griffith

“ *Mr. Scotty and Mr. Donnie, so sad to hear about our brother Monty. We had and made some terrific memories in our youth together. I think about them from time to time. I hope and pray that God gives you and your family peace and understanding in your time of grief and pain. I know you'll truly have a void and miss in your life right now but take comfort in knowing that there is a way and a day of being reunited again. What a glorious day it will be. Robert Haulbrook*
