“ I was heartbroken to hear about Monty's passing. I had the privilege of working with him at KYMCO, and I'll always remember his steady presence, sense of humor, and the genuine kindness he showed to everyone around him. He had a way of making even the toughest days a little lighter.

Monty wasn't just a coworker—he was a friend. He'll be truly missed.

My thoughts and prayers are with his family and all who loved him. May you find comfort in your memories of him and peace in knowing how many lives he touched.
