“ *At this time of sorrow  
may these truths sustain you..  
...your loved one will always be  
as close as a memory  
and the God of all comfort  
is always as close as a prayer!*

*For 25 years Morris was my dearest friend. There was hardly a day that passed that we did not speak on the phone. Through our journey together in our shared condition, he was a great source of comfort and strength for me as I hope I was for him.*

*You will be missed.*
