“ TO: Aunt Myra's immediate family.

It is with sincere sadness that I have heard of her passing. She was a beautiful lady inside and out. She spoke always of her love for her family and those who have passed before her. Knowing her for just a short time, I am so fortunate for the memories which she shared with me and my beloved husband, Metz before his passing.

Today, there is a happy reunion going on in heaven with her heavenly family. God be with each of you and bless you with many happy memories about your mother.

Grief is the last act of love we can give to those we loved, where there is deep grief, there was great love.

God bless and keep all of you and fill your needs during the coming days, without Aunt Myra.

Sincerely, Karen E. Robertson

“ To the family, please accept my deepest sympathies on your loss. No words express the difficulty of coping with death although I pray the promise God gives in the scriptures strengthen you through this ordeal. . . .And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Rev 21; 4

*May the Mason family find comfort and courage through your loss knowing what a wonderful mother Myra was to both of her sons. I know because of growing up with David I seen this with my on eyes. When trouble comes in bunches God and mothers are always there to walk us through it and in this case God is sufficient. Because of prior commitments at work I may miss the memorial service but please know that I'm thinking about you and praying that the peace of God will keep you all.
