“ *My sincere condolences Maudie and Talena. Myron was good man and as you can tell from so many comments here was much appreciated and loved. You may remember me. When I was in High School Myron gave me a job as a helper running around in that big green truck he used to have. I was at Foothills at the time and Myron would stop by to help Mr. Abbott with parts and appliances for us to work on. I remember going to several service calls with him where people were obviously struggling and he would fix a washer and I do not believe he ever left a bill. I remember all those muscadine grapes I picked at your place and mom made into preserves. Many years have passed and last I saw Myron was over at the shop in Greer for a part.
I always enjoyed talking to him.*

Godspeed Myron. Rest in peace.
