“ My memory of Myrtice is treating Lisa’s friends and prayer group to a tea party! She shared her beautifully decorated home and was such a gracious hostess to us. She made sure we felt special and welcomed. Here’s a picture of us on her back porch and notice the chandelier above our heads! We love you, Lisa, and know you share those same qualities as your mom!

“ *Myrtice was a very special and beautiful person who we loved dearly. She became part of our family over 30 years ago who she began babysitting our daughter. With her warm smile and generous ways, words, and deeds, she brought joy and love into our lives. We will always remember her love of children, her impeccable sense of style and grace, and most of all her huge and humble heart. Myrtice, we will miss you and love you, forever.*

Myrtice is my cousin and I have such sweet memories of visits. Aunt Gladys was my mom's sister. Praying for comfort. Love, Judy Ellis Williams, in North Carolina.

Myrtice came into my life when I was a little girl and quickly became part of our family. She taught me so many things and I have so many fond memories. I remember her every time I make her garlic butter potatoes, when I decorate for the holidays and I put out all of the pottery that we painted together (a tradition I have carried on with my children today). I loved her smile, her style, riding in her fun red sports car but I will always remember how she loved me as one of her own. She showed me grace and compassion. She was a beautiful soul. I love you Myrtice - you will always have a special place in my heart.
