“ *Hello, I am just finding out about this, and I have missed the service. I would have attended. I met Myrtle thru John when I was on the Duncan council. She was always such a lively, lovely lady! She did so much helping Johnny with town activities. John and Myrtle really started the Easter Egg Hunt in Duncan. We used real eggs then and their kitchen would be full of 500 or more colored eggs! I know Myrtle missed John after he passed. Thank you Myrtle for all you did in Duncan and now you can rest in peace. ❤️*

“ Although I only had a chance to get to know Ms. Myrtle since September 2024, each time I saw her, her face would light up and my heart would be so filled with her warmth and beauty. She was special and my only regret was to not know her longer. May the family have the peace of God surround them as they walk through their loss knowing she is waiting for them to join her one day. Heaven did receive a special Angel. It was an honor to know her in this brief moment.
