“ Nadine was always so funny. She was the best aunt anyone could ask for. When I was younger we would go and visit her while on vacation. It was always fun to go to see her. She was one of the best cooks too. She made the best peach I have ever had. I wish I could have spent more time with her. She will be so missed. One day I hope I will get to see here again and hear her laugh. I love you.
