“ *Nancy had the best sense of humor and could make me laugh. Her faith in the Lord was so apparent and she truly loved her family. I loved getting to know her and her family in the past few months. She'll be missed greatly.*

“Evan though we live in PA, visiting with Nancy was a must when we were in Greer with our son who lives down the street from Willie and Nancy. She would have a smile on her face when I showed up at her door and we would have a good time catching up with each other's lives. It won't be the same the next time we are in town and not to be able to step inside her house and see her happy face as she will no longer be in her chair. Instead, she is rejoicing in the presence of her Lord and I will walk the streets of gold with her some day. Our prayers are with Willie and the family.
