“ Alvin,
Your mom was my very first therapy patient at Manning House and I adored her from the start. She always had the best advice and I know she loved me as much as I loved her. Ms Nancy was an extraordinary woman and I will forever remember her sweet spirit and smile for the rest of my life! I truly loved her as if she was my own grandmother.

“ *Good-night! good-night! as we so oft have said
Beneath this roof at midnight, in the days
That are no more, and shall no more return.
Thou hast but taken up thy lamp and gone to bed;
I stay a little longer, as one stays
To cover up the embers that still burn.
~Henry Wadsworth Longfellow*

I was blessed the day Mrs. Howard came into my life. I shall always remember her smile, the way she hugged me, and the way she called me baby. It was an honor to take care of her for a short while. Lighting a candle for Al & Kay, who inspire me to be a better daughter, a better nurse and a better person. All my love for Always.....##imported-begin##Deidre Waldrop##imported-end##
