“ I am so sorry to hear about Ms. Nancy's passing. I really enjoyed getting to know her when I was the Activity Director at the cottages and RHNC. She was so sweet and funny. Never knew what she was going to say. I remember when I was expecting my 1st great niece my nephew sent me an ultrasound picture of his baby girl well me being excited I was showing some of the staff the picture, well not wanting to leave any of the elders out I showed it to her and another lady and told them that it was a picture of my great niece and they both said " oh how cute" and as I was walking off she turned to her friend and said "Now that is one ugly baby". I was kinda shocked and then I realized that she had proberly never seen an ultrasound. I still laugh at that. She will always be remembered for giving me a good laugh more than one time. I am sure she will be missed. All of you are in my thoughts and prayers.
