“ Melanie, you, Nancy and Jimmy welcomed me and Brad into your family over 22 years ago, saw us through all the good times and not so good times. The love, strength and devotion between our two families will see us through the coming days and years. So many precious memories have been made and are cherished. We love you.

“ *Ellis,*

*Sorry to hear about your sister's death. You worked for my father B.
Hart at Southern Bleachery. We lived across North Street from your
family. I still remember when Nancy was dating Jimmy. I'm sorry to
hear that he's no longer living. I used to deliver newspapers to his
parents. I didn't know Nancy very well, but I liked her.*

*Although our family left Taylors in July, 1964, I still have fond
memories of living in Taylors and the people I knew there. I wanted
you to know I was thinking about you.##imported-begin##Brant
