“ *Dear Fred, Dana, and Family, My heartfelt sympathy in the passing of sweet Nancy. May God's love surround you with His love, grace and peace that only He can give during this most difficult time. She is now in her Heavenly home with God in her new body with no pain. She was a beautiful lady and loved by so many and now she is celebrating with her family and friends gone on before her. Dana, I fondly remember your visits with us during your high school days and remember how lovingly you talked about your parents, so know how sad this is for you, but we will see her again in the 'sweet bye and bye as God has promised. Our memories are so special during this sad time as they can give us comfort and joy during the coming days. May God bless each of you and be gracious to you. Sent with my love, hugs, and prayers, Linda C. Roberts (I am sorry I cannot see you during the service as I am out of town, but I will be praying for you during that time.heart 🙏*
