“ *John, Carol and David,
So sorry to hear of Nancy's passing. May God's comfort be with you as you face the days ahead. I had many long talks with Nancy and she was wealth of knowledge and fun. Loved hearing her talk about her grands and when she would sit with Charlie's dog! Your family will be in my prayers. The video was a lovely tribute to Ms. Nancy!*

“ As a child I was in her parents home very often. I loved John Oliver and Mrs Ruby! Ruby gave me a doll that I still have, which I named OverYander, because Ruby said it so often! I so remember when Mrs Ruby went to See Jesus! It was a sad sad day! I'm glad Mama and daughter are having a reunion! The Simmons and Kendrick family have my prayers for comfort, and my deep sympathy.

“ Oh my sweet Nan, I worked at Manning Place, On this particular evening her John was coming to have dinner with her, oh how she adored him .One of the female residents came to her table and sat down. She politely but straightforward as Nan could be, told that lady real quick that is not your seat, my John is coming to have dinner with me you will need to move. She was the kindest person and the funniest thing she always smiled. I looked forward to going to work to see her every day I just wanted to share that precious precious moment with you guys love Deloree
