Celebration of Nancy's Life

*We are here to celebrate your life Nancy
 And the measure of its worth
 And every single life you touched
 While you were on this earth.
 We wish to pay our last respects.
 That's why we all are here,
 To thank you for your friendship
 And all the memories we hold dear.
 It's been a privilege to have known you.
 We were family, not just friends,
 And we will carry you in spirit
 Until we meet up once again! 💕🙏💕*

*One of your Mama's favorite sayings ...
 "I love you more than houses & trees Nancy"
 Rest in Peace my dear sweet friend until we meet again! 💕💕💕*

“ I worked with Nancy for years and we had just begun working together again. I was looking forward to reestablishing our friendship and with the blink of an eye she was gone. I will miss her friendship, her laughter, her intelligence, her sense of humor and grieve the fact that she came back in my life just to be taken away. But I take comfort in knowing she is with the love of her life Michael, her parents and her sister and brother. Rest peace my friend. Love Martha

“ I will miss Nancy. She was a special person and good friend to me. She amazed me with her intelligence. I have never known anyone who loved reading so much. Nancy shared her love for her family and we talked about fun times with our siblings often. May she rest in peace. I miss and love you Nancy.

It was a very somber day at work looking at Nancy's desk, knowing that she would never sit there again. She had a wealth of knowledge like no one else that I know. I will truly miss her. I was blessed to work with her at Carolina Homecare and Equipped for Life. Rest in the arms of Jesus sweet Nancy!

So sorry for the family. I know she will be missed by her family because she will definitely be missed by her work family. I only knew Nancy for a short time, but she was such a caring, sweet person. My prayers are with you all, family & friends. May the Lord give you all the grace you need in the days to come. Nancy's will be hard shoes to fill because she was there for so many people.
