“ I have many great memories but one of my happiest is the last time we talked. She had settled into her recliner and she laughed heartily at rememberances of my Father and Uncle Don and there hijinx. She talked of how she missed them and knew they would all be together again soon. I remember seeing her beautiful smile. That will always be how I remember her, Smiling.

Singing, laughter, food and the Lord were always themes. From the times at restaurants w Nancy, Don, and my Mom and Dad (just bursting out in song while waiting for our dinner) to the Sunday and Holiday dinners I was blessed to prepare for Dad and Nancy (after Mom and Don went to be w the Lord). Fun and sweet times. My favorite is when I went to see Nancy at her home. We talked about music and the piano was right there. After a bit of persuasion she played, and we sang song after song. She found her very happy place and I was so blessed to share this w her. Happy for her glory w Christ and sad for our loss. (I'm pretth sure she's hugged my mom by now.) 💕

Nancy was such a sweet-spirited lady. She always had a smile on her face! I used to see her at Walmart in Greer and enjoyed chatting with her. She and her husband attended our wedding 48 years ago. Since we recently moved to Illinois I will not be able to attend her funeral but wish I could. Will be praying for the family. So glad I will see her again some day in Heaven!
