“ Doc -  
*Nancy was such a special person. I will always cherish the memories of living across the street. We proudly display her works of art. What a sweet and talented lady. I know you are missing your soul mate and all I can say is that I am so sorry. We will truly miss her - but you have to live on. Come and stay a few days with us in Laurens County. We love love - bring my little buddy Jake and Lucy. Love you - D&J##imported-begin##Jayne Floyd##imported-end##*

“ Doc, We were so sorry to hear about Nancy today. I knew she had been sick as John had been keeping us updated. She was a sweet lady and I will always treasure the book marks she made for us. I am planning on being there tomorrow if things work out like I hope. You are in our thoughts and prayers and I will see you soon.##imported-begin##carol mclaurin##imported-end##

“ Dear Doc, Our numbed minds cannot comprehend that Little Nancy has left us. She who had a plaque that read: "No matter where I serve my guests; they always like my kitchen best". How many sweet memories of us at the kitchen table. Basswood - Christmas Day evenings when we ate chili; Savannah when we were on our way home from Christmas in Memphis; Greer - watching her moving around in her brisk, competent way. Or camping when she remembered everything to make us happy. Nancy will remain a part of us. Love, Ken, Shirley, Lynne, and Keith McKenzie.##imported-begin##Shirley McKenzie##imported-end##
