“ Naomi, my BEST life-long friend, how you will be missed. From the days of first grade at Sue Cleveland Elementary School in Piedmont, SC to our elderly years, you were always my friend to share fudge sickles/ice cream sandwiches and a story or two, I could always trust you to be there for me no matter what. Your gentle nature and kindness was always your greatest strength and your faith in Jesus Christ made you stronger than most young women. You will be missed; but if in a little while, I will come meet you in just a little while where ewe can praise our Lord.
