“ Pam and I have been in shock for days now. Nate was a great guy who cares about people and would do whatever he could to lend a hand. We will very much miss our neighbor. Blessings to Pat.

“ Pat, Barry, and Deana. My 2nd family. I say that because you all welcomed me into your home and your hearts from the beginning. I always thought of Nate as my other Dad. Always accepting, always supporting, and always had a good word. Be not sad. Though, He will be missed on Earth....He will be welcomed in his new home of Heaven. Brett

We always enjoyed seeing you all when you were living across the street from Mother and Daddy when Phil Phil and Barry were in high school. May God's love surround you with His mercy and peace during this difficult time and may your many memories give you comfort and keep Nat close to your heart. “ I've know Nate and Pat since I was in high school. Nate and Pat were apartment managers at a complex we all lived at. Nate also got me into my first car. They were inseparable, it was always good to see them out shopping, eating or something. Nate was a sweet, sweet man and you be missing by many. Especially Pat ❤️

Pat my friend of 7 years when Jim and I met you and were with you all in your wedding. Our girls Emily and Kim send their sympathies to you and Deana and Barry.

The four of us ran together quite a bit and partied hard at the Sertoma Club parties. Such memories.

*I lost Jim (the love of my life) after 42 yrs of marriage in 2013 of cancer. He passed on our oldest daughter's birthday. The many years that Jim passed have been lonely and I miss and think of him all the time. I know it will be hard for you my friend but, I will always be here for you if you need an old friend.
May GOD bless you and family.*

*Nate thanks for the memories and many Happy Trails!
Love you good friend.
Barkey Cox*

I bet Nate and Jim will be so glad to be together again. So many things they will have to catch up on.
