“ *Dear Sylvia: I don't even know where to begin. Your family has been a part of our family off and on for more than 40 years. Losing Buggs is like losing a close member of our family. We all loved him very much. Sandy is taking it especially hard. You know how those two were together! You, Evans, Krista and all the grandkids are in all of our prayers. If there is anything we can do for you, please do not hesitate to call us. We love y'all. Gary, Mildred and Sandy.*

*To Sylvia and the entire family, Sending my condolences to your family in the loss of Buggs. He was a kind and talented man. My Dad thought a lot of him as they discussed the politics they loved. He put up with Willette's friends and we appreciated his help often. We have missed his humor and his joy of life. Please accept my sympathy in his passing. Dianne Dorman Williamson*
