“ Jane and Sierra,
My thoughts and prayers are with you. I want you to know how much my children enjoyed Neil. He always greeted Mckenzie on Sunday Mornings with a big hug and told her how pretty she was. Nothing could have made her smile more. Ethan thought of Neil as one of the funniest people he knew. just a few weeks ago I heard him talking with friends that attended bible school with him, they were talking about how funny he was. What a wonderful impact Neil made on these children for them to still be talking about it months later! Please know that his work and love for children did not go without notice. Now he is receiving his heavenly rewards for all his great work.
Love and Deepest Sympathy,

“ Dear Jane, Sierra, and family, we were shocked to hear of Neal's passing. No one can prepare for this kind of tragic surprise. Please know that we are lifting you all up in prayer for peace and comfort. Neal was such a kind, thoughtful man - a southern gentleman! We laughed just today, remembering him, that Mother used to call Chip "Neal" every Thursday and Friday after you had done her hair! He was one of her favorites! We love you!###imported-begin##Chip and Jane Patat###imported-end##
