“ Hello, my name is Nancee. I have worked with Darrell for several years. I just wanted to let you know that the family is in my thoughts and prayers. Your mother and grandmother was an absolute beautifully positive influence on each of you. Darrell has spoke of you all, but her most often. I know that this is and will be a difficult time. Please know the Lord will carry you. There will be one set of footprints and that is ok, because He is designed to carry us all. I hope that you are all blessed to feel his arms wrap around each of you. Love in Christ, Nancee Shaffer###imported-begin###Nancee Shaffer###imported-end##

“ Dear Darrell and other family members, How sad we are that you have lost your beloved Nellie! Both Roger and I have treasured our times of learning of our relatives, and of having times to share memories and of having our many questions answered about our Glassy Mountain family. We have admired and loved Nellie for her commitment to family and devotion to Evan. I am sure she was just as devoted to her other family members, but it was mostly through you, Darrell, that we knew Nellie. We appreciate so much your notifying us that Nellie had been so seriously stricken, and we have prayed for you all each day. May you feel the love and support of all your family and friends as you go through this very difficult period of grieving. We love you.
