“ No words can describe the kind of kid nick was, smart, respectful, trustworthy, strong, kind, talented, and a great friend. Unfortunately I only got to know him until i was 13, we were best friends until i had to move away. The most unfortunate thing was that I haven't talked to him since then. I was planning on coming back soon and i couldn't wait to get in touch. My sister who lives in SC told me the devastating news and it broke my heart to hear it, I didn't want to believe it. But i realize now you are in a better place and everything happens for a reason. Nick I just wanted you to know I never forgot about you man and I never will, I love you bro.##imported-begin##Tyler Mullins##imported-end##

“ We were so sorry to hear of Nick's passing. Nick has always been a good neighbor and friend. There are not many men his age who would take the time to go to a neighbor kids baseball game but Nick did because my son asked him. Please tell Lexie that Nick loved her and was very proud to be her father. Our family cared for Nick and he will be missed.##imported-begin##The Giddley's##imported-end##
