“ Nicholas.....I just don't know what we are going to do without you in our lives! You will forever be in our hearts and minds. I'm sure you are spending a lot a time in Mamaw's sweet arms.....give her a great big hug and kiss from me. I put a "ghost light" for you next to where your body rests...you remember that from the movie "Cars", don't you?
I Love You my sweey "boo boo!"
