“ *John and Rhonda*

*I met your mom while working at Greer State Bank. We seemed to run into each other when she would come in to deposit for Riverside. She was the kindest and most jovial person and we laughed so much together. I soon found out that she was your mom, and that you ( her children) that we went to riverside HS together. I have often thought of her through years. I'm sorry she had to go through this terrible illness. Know she is well now and at peace. I feel so blessed to have known her. My prayers are with you both.*
