“ *I could not think of better man than Noah for a father-in-law to my son...for he was much more than that to Christopher. Lord blessed my family when He brought the Lark family into ours. I will miss Noah at all of the things that we grandparents did together with our grandchildren. Harlee said it well, when she said "grandma, poppa is in Heaven and God has given him a new body". As we were driving along in the car yesterday, she rolled her window down, looked up at the sky and said" Hi poppa!" What a wonderful legacy he has left. I will always see that smile of his when I see Abbi smile.##imported-begin##Linda Wnukowski##imported-end##*
