Tribute Wall

“ *Its hard to believe that you are gone. Just 9 months ago I remember Jake and I visiting with you and watching you smile and glow as Jake talked about band and all his accomplishments. You were so proud of him and it showed! He loved bringing a smile to your face! Your face would always light up when your grandchildren talked and visited with you!*

You always welcomed me with open arms and a smile and I will always remember that and appreciate it.

You were loved and will be greatly missed by so many. I thank God for allowing all the memories we do have of you and time we got to spend with you through-out our lives. And with a sad heart - I also thank God for taking you home so you dont suffer in pain anymore. Until we meet again##imported-begin##Dawn Teem##imported-end##

“ Dearest Linda and Family,

Words alone cannot express our sympathy on the untimely death of your beloved Dwight. To say that his time with us was far too short is an understatement. The reality is that he will be sorely missed by all who loved and knew him.

No doubt the outpouring of sympathy you have received since his parting has been of some consolation. Hopefully it will serve as a reminder to you of how well-loved he was. Dwight lived a fulfilled and rewarding life and accomplished so much in his lifetime. We will always remember Dwight as the strong father figure with a smile on his face. Dwight was always willing to lend a helping hand no matter what the task. He will long be remembered as the hardworking, intelligent and loving man, husband, father, grandfather, and brother that he was.

May God bless you and your wonderful family.

In Deepest Sympathy,

“ Dear Linda & Family,

We send you our condolences and prayers. We wish it were possible for us to have been with you for a season in your time of grief. We have so many fond memories of Dwight and remember most of all that he had committed his life to the Lord and fought a good fight. We are sure that he has now entered into his reward.

We know that God will comfort and sustain you as you continue on your journey. God has promised to be a Father to the widow, so we know He will walk with you until the day you too can join Dwight once again. Even though we have not had a lot of contact with you for a long time, please know we love you and our heart reaches out to you. Let your heart be strengthened by the many memories you have holding them close to your heart. They too will give you strength.

Our prayers are with you and all the family for these times. God Bless you all!##imported-begin##Pastor Harold & Carlene White##imported-end##
