“ We can only say we're sorry for your loss because words cannot and do not convey the sorrow in losing a child. Noelle was a bright and sunny child that grew into a bright and sunny adult. Even though we haven't seen Noelle for some time now we still feel her loss. She will be missed by so many people which is a tribute to her impact on other people's' lives. Rest easy now, Noelle, you are with God. Love, Uncle Craig, Aunt Janet and Tara

“ *I will surly miss my pal,
The day she moved in next door, I knew that she and I would be buddies.
She was really surprised when I took the leash from her and walked Max.
She was a great person and a better friend.
My ice is better because I had the pleasure of knowing her.
See you in Glory my friend.*

“ Noelle and I met three summers ago when I began working at a job she also worked for in Pennsylvania. Intimidating at first due to her knowledge and experience, it only took a few minutes of conversation to realize what a kind, enthusiastic, and free spirited person Noelle was. Her love for life shined through everything she did and made a summer job so memorable and fun I often forgot I was even working. I am heartbroken she is gone but find peace in knowing she is free from earthly pain. May she be welcomed with the most beautiful garden in Heaven.

Sending prayers and love to Noelle's family.

“ My niece, Noelle was full of fun, laughter and maybe a little trouble at times!
Always looking to find the funny and mischievous side of things. She lived her life to the full. Thinking of others and making those around her happy. She left not only many memories but lessons too for us to learn from. Be happy now, enjoy life now, think of others and be yourself. God bless your precious soul Noelle. We will be looking for you to send us signs that you are watching us and expect they may be a little unusual! You are remembered with much love.💕💕💕 Aunt Sylvia

“ My memories are during the holidays when my mom and dad would have the bus drivers and their families for a Christmas party. Noelle would come and be so full of joy. I often would see her walking up the road past the house too.its not easy fighting the fight but I don't think I know anyone who fought it so bravely . Be at rest now
