“ I am so sorry for the loss of your Grandmother. May the you family find comfort and hope in Jesus words at John 11:25 Jesus said to her: “I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life;

“ Grandmother, you were such a wonderful person. You were so full of life and always smiling. This world is not going to be the same without the light that shone through you so brightly. If I could have any wish, it would be for more time with you so we could grow closer. There are so many things I wish I could ask you and tell you. I am thankful, though for being a part of your life and you being a part of mine. I know we will see each other again and what a reunion that will be. I love you so much grandmother and you will be missed greatly. I'm so lucky and proud to be your granddaughter.

“ Grandmother, you were such a wonderful person. You were so full of life and always smiling. I thank-you for being a part of my life and for letting me be a part of yours. If I could have any wish, it would be to have more time with you so we could become closer. I know we will see each other again and I look forward to being able to say all the things I would like to say and to hear your voice and your laugh again. I love you so much. You will be missed greatly. I am proud to be your granddaughter.
