“ Donna, my friend Lloyd just sent me the obituary. Nobody called me! I had no idea. I didn't call Norm from September of last year thru now. He said you were in the process of moving. He said he'd call me when it came time to lift furniture. I may have been the last friend to have seen him. I took him to eat around that time in September. I'm sorry for your loss. I am going to miss him. You call me if you need anything. 864/553-3752

“ I have so many good memories of my times with Norman.

Riding in his 35 ford,going through the gears with the straight pipes sounding off.

Going to alot of local junk yards with Norman,Ed herold and myself,looking for old car parts. And finishing our trips off,with lunch at a southern diner. Talking,telling stories and laughing. I will miss that.

“ old car drag ups, flathead fords, rolling over a 34 ford, riding in a 35 coupe and having fun. "Bushlip" so named for his overhanging mustache and I "Fuzzface" shared a lot of memories. Say hello to Henry for me
