“ Allen,  
Faye and I extend our deepest sympathy regarding the passing of your beloved Norris. Even though we only knew her briefly, she touched our hearts with her ever present smile and politeness. I firmly believe she had a guiding hand that led her to the decisions she made for both of you.

*Cherish the memories -- and find peace in that she passed from this life after having touched the hearts of so many.*

*Warmest personal thoughts and prayers for Norris and to you and family.*
