“ *The Hinson Family sends its deepest condolences to the family of Oneal Wood. We know that he will be missed but more importantly celebrated for the great gifts and memories he provided while here on earth. Legacies are hard to build, but even harder to maintain; we know Oneal did both. Rest in Peace.*

“ My memories of Mr. n Mrs, Oneal was all the special times that we gathered at their home for special occasions, such as Cohens two year birthday party. And the times when April n Jake would come home before going to a new duty station. And my best memory was this past June when they were home before leaving for Hawaii. At that time he was still able to enjoy his Family n life. They were so nice to invite me into their home n treated me as Family.He is going to be missed very much n He was a very Godly n very wise man.R.I.P Mr. Oneal Wood.
