“ It was such a pleasure to meet Retha's family and care for her during her last days on Earth. My heart was touched by the closeness and lovingkindness you share among yourselves, and I feel truly blessed to have been a part of your lives, if only for such a brief time. My thoughts and prayers are with you all as you mourn her loss. I know memories of her will live with you forever, and that you will be comforted by them. My sincere condolences go out to you all.
