“ Gene, Ginger and families, I am so very sorry to hear of your loss. I just read the news when I caught up on messages from Praise. Forgive me for letting so much time pass without just talking or coming by and yet it takes such terrible news to even send a message. I know she is rejoicing in heaven and we will just have to wait our turn. Ginger, you have my numbers, e mail address, I do not have yours, give me a call. I will be keeping all of you in my thoughts and prayers.##imported-begin##Eunice Donald##imported-end##

“ Eugene, I haven't seen Orrie since Noah passed away, but I am deeply sorry for your loss. Every time I saw her, she was friendly and welcomed Noah and me into her home. She was a lady of faith and will be greatly missed by all who knew and loved her. She is happy now and once again with Henry! With loving sympathy, Kathy Lark (Noah's wife).##imported-begin##Kathy Lark##imported-end##
