“ Oscar was an awesome brother. He remembered mothers day and my birthday every year. He was always a cheerleader for me. He will be so dearly missed by me and so many people also. The hole he leaves behind in my life is too big to fill. He once told me, " sing it Auns, I love you, you love me, Oh how great it is to be a brother of yours" I was truly blessed to have him as my brother and friend. I miss him so.
