“ Oscar has been my neighbor for over 5 years now. I will never when I first moved in I walked outside and there was a bag of home grown tomatoes. I did not know who put them their put thought to myself what sweet neighbors I live near. well about a week later I walked out to get my mail and he introduced himself and ask me if I like the tomatoes. He would always work in his yard. He wear his gloves and you see him waving at people as they drove by. He will be missed. Such a sweet gentle soul..##imported-begin##*jamie richardson*##imported-end##
