*He was one of the strongest men I know. I was given his name and the name of my dad. No matter where I go, they will always be a part of me. I love you Papa. I will try my best to make you proud of the man, grandson, son, dad and husband that i am becoming and will continue to strive to become a better person than i was the day before. I love you Papa.*

“ Papa I cannot believe it has already been 18 years since you went to Heaven. There is so much I want to tell you and so much that has happened to me since you've been gone. I have gotten married (almost 9years now), I have a daughter that will be turning 8 in November. You and Grandma would have her spoiled. I have tried to live up to the Satterfield name and your name. I was blessed to be named after 2 of the greatest men I know and to be a part of this family. I hope you and Grandma are looking down at me and my family and y'all are proud. I love you, Papa. Give Grandma and my Mama a hug for me. I'll see yall when I get up there.
